

# Accessing the study material within eprepstation

Within eprepstation.com you have access to Q&A, Mocks, recorded lectures and other additional study material related to your course. First to access you will need to open the page where all content is kept. To do so follow below.

The screenshot shows the user dashboard for 'qedemo'. The top navigation bar includes links for Home, Registered Courses, Score Card, Edit Profile, My Favorites, and Logout (qedemo). The main content area is divided into several sections: 'Welcome to eprepstation,' followed by a 'LIVE LECTURES' link; a 'My Profile' section with user details; an 'Announcements' section stating no announcements have been posted; a 'Test Yourself History' section stating no tests have been done; a 'Course Update Info' section with links to pre-reading materials; and a 'My Notes' section with a text area for notes. A red arrow points from the 'Go to Your Registered Course(s)' link to the 'List of Registered Courses' page.

# Video archive

Video Archive – If you're joining after class has finished or just want more to study we keep the lectures from the previous groups based on the year and month. These video are still relevant and can be watch in addition to the live classes.

The screenshot shows the Eprepstation website interface. The top navigation bar includes links for Home, Registered Courses, Score Card, Edit Profile, My Favorites, and Logout (josh). The breadcrumb trail indicates the user is in the Pharmacy Prep Evaluating Exam Prep Course. A search bar is present with the text 'Search within the Course'. The main content area displays a list of links for various study materials, including 'EE ARCHIVE JAN 2017'. A table titled 'STUDY PLAN EE ARCHIVE JAN 2017' lists video lectures for pre-reading weeks 1 through 6, along with additional resources like 'Agenda 2017', 'Biomedical test', and 'Test Answers'. Red arrows highlight the 'EE ARCHIVE JAN 2017' link and the table of video lectures.
